Placement guide

Not a cutting template

- 1 Transfer a small snowflake to the center of one heart using the placement guide. Stitch its three crossing lines and short branches with cream embroidery thread.
- 2 Baste a 16 cm ribbon loop into the top cleft with its ends 1 cm inside.
- 3 Place wrong sides together and blanket-stitch 2 mm from the edge, leaving a 2 cm gap along one side.
- 4 Lightly fill, close the gap and weave the thread end between the layers.

Finish securely, trim loose threads and keep small parts away from young children.
