

Mini Felt Stocking

Hand-sewn felt ornament • A4 printable pattern

A tiny red stocking is a classic Christmas shape and a sweet place for a cream heart. Its broad toe is easier to sew than a narrow, sharply curved stocking.

PROJECT AT A GLANCE

Beginner

Approx. sewn size: 8 × 11.2 cm (W × H), excluding the ribbon loop.

3 unique pattern pieces; 4 felt pieces to cut.

Use 1-1.5 mm felt, matching thread, embroidery floss, a hand needle, scissors, 16 cm of narrow ribbon and a little filling.

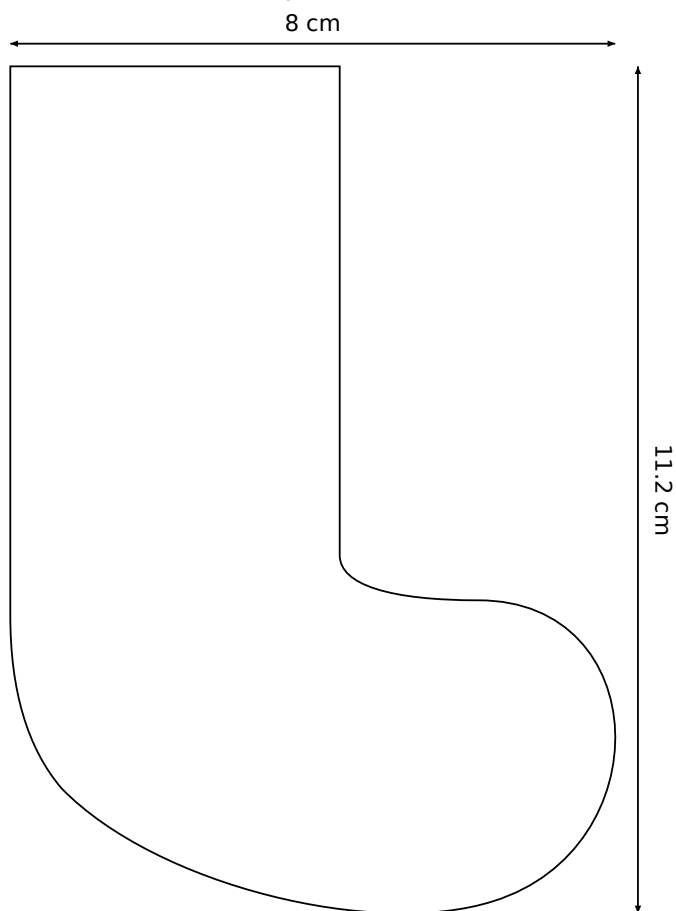

A LITTLE TIP

Use only a pinch of filling in the toe so the outline stays clear.

Print page 2 only when you just need the cutting pattern.

TEST SQUARE

Check this square with a ruler before cutting felt. It must measure exactly 5 × 5 cm.

One outline per unique piece. Cut the number marked. Cut on the solid outer line. No extra seam allowance. Work blanket stitch about 2 mm inside cut edges; applique before joining the body.

Finished size is approximate after light stuffing. Decorative ornament only, not a toy.

Before you start

Print the pattern page at 100% and measure the test square. Cut the stated number of pieces. Put the wrong sides together for blanket stitching; the cut edges stay visible.

Placement guide

Not a cutting template

- 1 Applique the cream cuff 2 mm below the stocking top and 2 mm from its left side. Sew the small heart below it.
- 2 Baste a 16 cm ribbon loop near the upper-left corner, with 1 cm of each end between the layers.
- 3 Join the two stocking shapes with blanket stitch 2 mm inside the cut edge, including across the top. Leave a 2 cm gap on the straight back edge.
- 4 Lightly fill the toe and leg, then close the gap. This is a sealed ornament, not an open stocking.

Finish securely, trim loose threads and keep small parts away from young children.
