

Felt Gingerbread Person

Hand-sewn felt ornament • A4 printable pattern

This friendly gingerbread ornament has stitched icing and soft felt buttons. The rounded arms and legs help it feel approachable for a first small stuffed project.

PROJECT AT A GLANCE

Beginner

Approx. sewn size: 9 × 12 cm (W × H), excluding the ribbon loop.

2 unique pattern pieces; 4 felt pieces to cut.

Use 1-1.5 mm felt, matching thread, embroidery floss, a hand needle, scissors, 16 cm of narrow ribbon and a little filling.

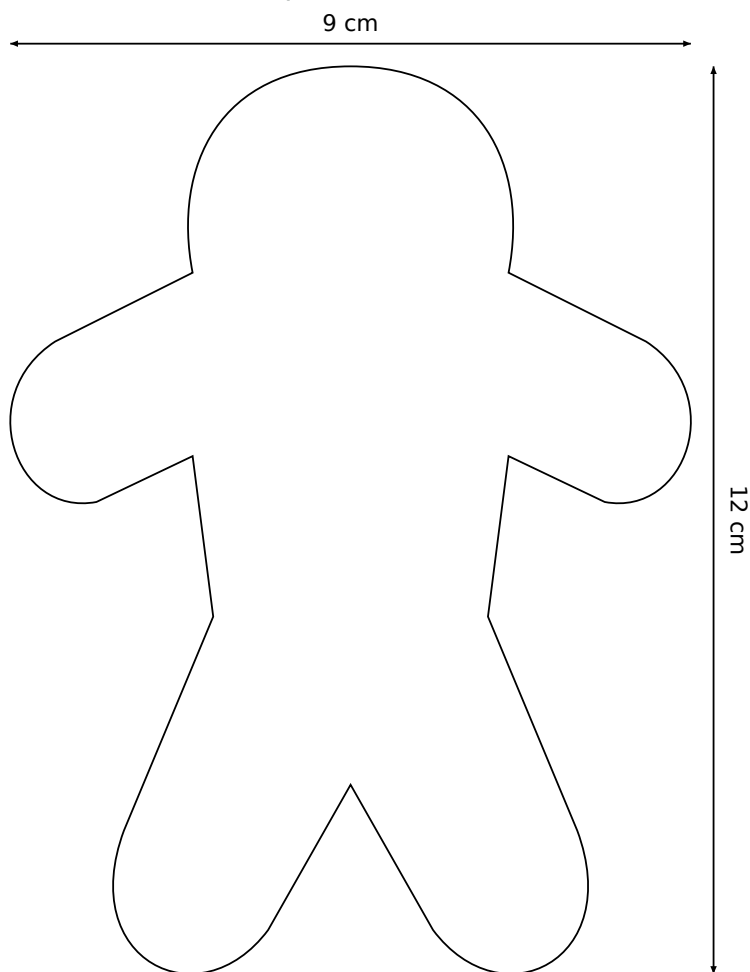

A LITTLE TIP

Do not cut extra felt icing strips: the cream details are simple embroidery.

Print page 2 only when you just need the cutting pattern.

GINGERBREAD BODY

x2 • tan

BUTTON CIRCLE

x2 • red

Check this square with a ruler before cutting felt. It must measure exactly 5 × 5 cm.

One outline per unique piece. Cut the number marked. Cut on the solid outer line. No extra seam allowance. Work blanket stitch about 2 mm inside cut edges; applique before joining the body.

Finished size is approximate after light stuffing. Decorative ornament only, not a toy.

Felt Gingerbread Person

Before you start

Print the pattern page at 100% and measure the test square. Cut the stated number of pieces. Put the wrong sides together for blanket stitching; the cut edges stay visible.

Cutting list

Gingerbread body: ×2 in tan (front and back)

Button circle: ×2 in red

Placement guide

Not a cutting template

- 1 Applique the red felt button circles at the center of the front. Embroider the eyes, smile and short cream icing lines near the wrists and ankles.
- 2 Baste a 16 cm hanging ribbon at the head, with both ends 1 cm inside.
- 3 Join the front and back with small blanket stitches, 2 mm from the cut edge. Leave a 2 cm gap on one side of the body.
- 4 Ease a little filling into the arms and legs with a blunt tool, fill the body lightly, and close.

Finish securely, trim loose threads and keep small parts away from young children.
