

Red-Breasted Felt Robin

Hand-sewn felt ornament • A4 printable pattern

A little robin looks right at home among Christmas greenery. Its red breast and dark wings are simple oval appliques on one rounded body.

PROJECT AT A GLANCE

Beginner

Approx. sewn size: 8 × 9.6 cm (W × H), excluding the ribbon loop.

5 unique pattern pieces; 8 felt pieces to cut.

Use 1-1.5 mm felt, matching thread, embroidery floss, a hand needle, scissors, 16 cm of narrow ribbon and a little filling.

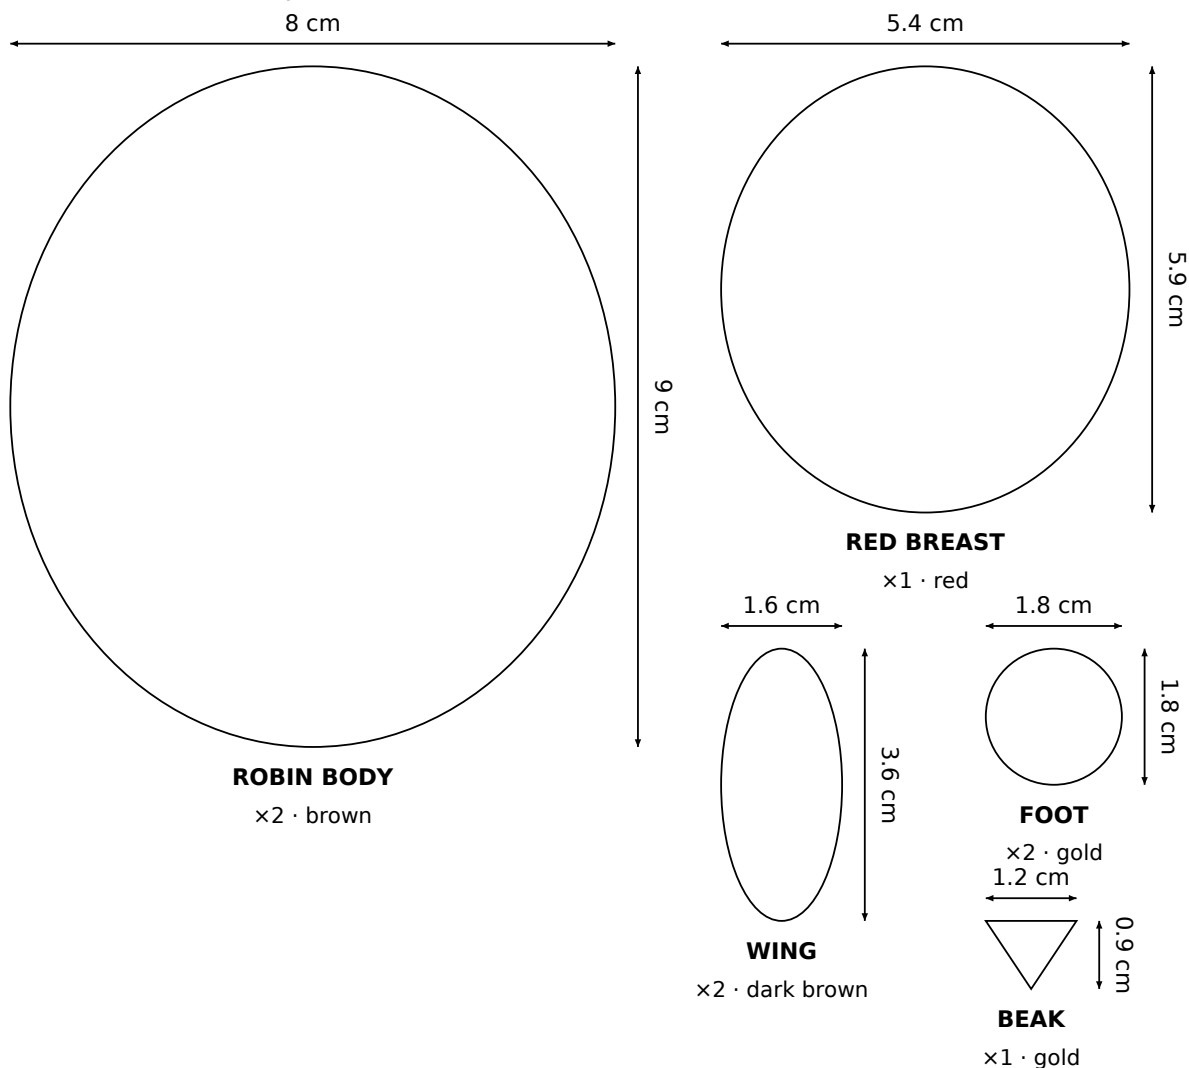

A LITTLE TIP

Stitch the breast before the wings so the side layers sit neatly.

Print page 2 only when you just need the cutting pattern.

Red-Breasted Felt Robin

A4 • Print at 100% / Actual Size • No Fit or Shrink

Check this square with a ruler before cutting felt. It must measure exactly 5 × 5 cm.

One outline per unique piece. Cut the number marked. Cut on the solid outer line. No extra seam allowance. Work blanket stitch about 2 mm inside cut edges; applique before joining the body.

Finished size is approximate after light stuffing. Decorative ornament only, not a toy.

Red-Breasted Felt Robin

Before you start

Print the pattern page at 100% and measure the test square. Cut the stated number of pieces. Put the wrong sides together for blanket stitching; the cut edges stay visible.

Cutting list

Robin body: ×2 in brown (front and back)

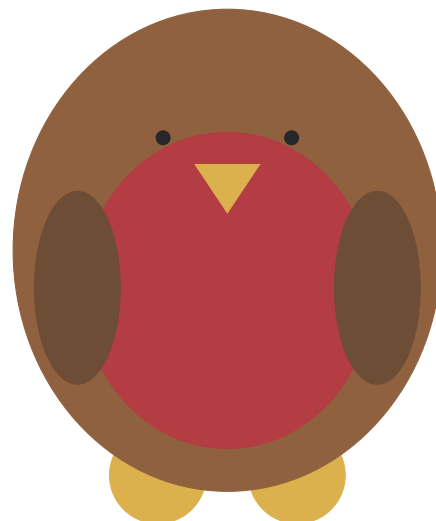

Red breast: ×1 in red

Wing: ×2 in dark brown

Beak: ×1 in gold

Foot: ×2 in gold

Placement guide

Not a cutting template

- 1 Sew the red breast onto the front, 2.3 cm below the top. Add the two wings over its side edges and the little beak. Embroider the eyes.
- 2 Place the feet behind the body with their tops 7.8 cm below the body top. Overlap varies along the curved body edge; keep at least 5 mm inside and tack securely before sewing the outer seam.
- 3 Tuck a 16 cm ribbon loop 1 cm inside the top. Join the two body layers 2 mm from the edge, leaving a 2 cm side opening.
- 4 Fill lightly, close the opening and check that both feet are caught securely in the seam.

Finish securely, trim loose threads and keep small parts away from young children.
