

Wrapped Felt Gift

Hand-sewn felt ornament • A4 printable pattern

A little wrapped present adds a bright square shape to a collection of felt ornaments. One strip template is used twice, once turned sideways, for the crossed ribbon.

PROJECT AT A GLANCE

Beginner

Approx. sewn size: 9 × 9 cm (W × H), excluding the ribbon loop.

4 unique pattern pieces; 6 felt pieces to cut.

Use 1-1.5 mm felt, matching thread, embroidery floss, a hand needle, scissors, 16 cm of narrow ribbon and a little filling.

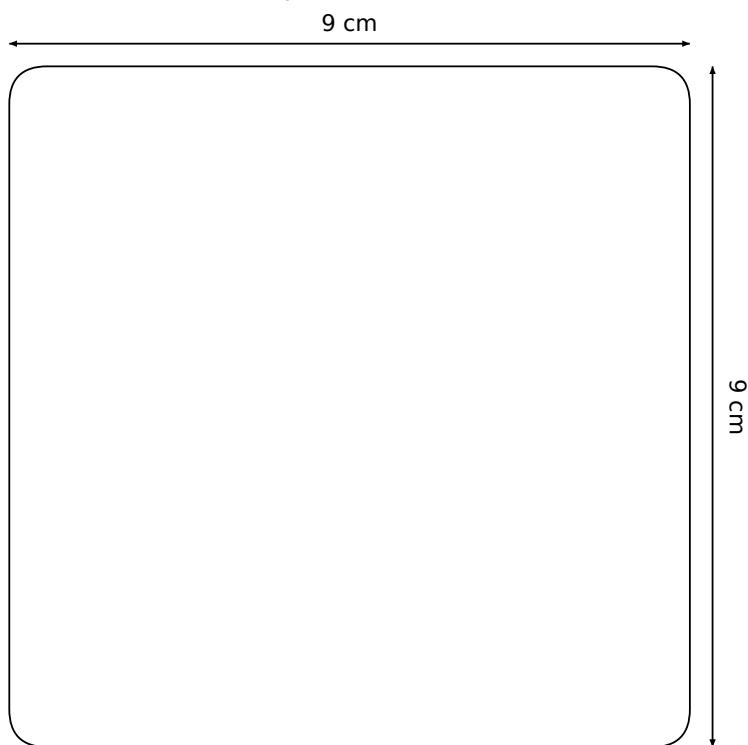

A LITTLE TIP

Keep the layers flat at the ribbon crossing so the center does not become bulky.

Print page 2 only when you just need the cutting pattern.

Placement guide

Not a cutting template

- 1 Use the ribbon-strip template twice. Place one vertically through the center of the gift and the second horizontally across it, with edges at 3.7 and 5.3 cm.
- 2 Applique both strips, then the green bow and small gold center at their crossing. The long strip ends meet the body cut edge and will be caught by the outer stitching.
- 3 Baste a 16 cm loop 1 cm into the top edge. Blanket-stitch the front and back 2 mm from the edge, leaving a 2 cm opening.
- 4 Add a thin layer of filling, ease it into the rounded corners, and stitch closed.

Finish securely, trim loose threads and keep small parts away from young children.
