

Holly Felt Candle

Hand-sewn felt ornament • A4 printable pattern

A warm cream candle with a felt flame adds a lovely old-fashioned detail. It is entirely decorative, with holly leaves and berries stitched onto the front.

Placement guide

Not a cutting template

- 1 Applique the orange center onto one gold flame. Cut 22 cm of ribbon and leave 4 cm tails below the loop. Before closing the flat flame, stitch the tails down its back, leaving the final 1 cm to anchor inside the candle. Sew the flame layers together.
- 2 Applique the two green leaves and three red berries near the lower front of the candle.
- 3 Baste the flame behind the candle top so its lower 1.3 cm is hidden. Secure the final 1 cm of both ribbon tails inside the candle layers before closing the body.
- 4 Blanket-stitch the candle layers 2 mm from the edge, leaving a 2 cm side gap. Fill the candle lightly and close.

Finish securely, trim loose threads and keep small parts away from young children.
