Placement guide

Not a cutting template

- 1 Applique the red roof to the front, matching the sloping cut edges. Add the centered door and two cream windows.
- 2 Embroider a cross on each window, a small gold doorknob and short cream stitches along the roof edge.
- 3 Tuck a 16 cm ribbon loop 1 cm into the roof peak. Join the front and back 2 mm from the edge, leaving a 2 cm gap along the base.
- 4 Lightly fill the house and close the gap, keeping its lower corners softly square.

Finish securely, trim loose threads and keep small parts away from young children.
