

Little Felt Wreath

Hand-sewn felt ornament • A4 printable pattern

A small felt wreath makes a pretty finishing touch to this collection. The inner edge is sewn first, so the ring is easy to keep aligned as you work.

PROJECT AT A GLANCE

Confident beginner

Approx. sewn size: 9.5 × 9.5 cm (W × H), excluding the ribbon loop.

3 unique pattern pieces; 6 felt pieces to cut.

Use 1-1.5 mm felt, matching thread, embroidery floss, a hand needle, scissors, 16 cm of narrow ribbon and a little filling.

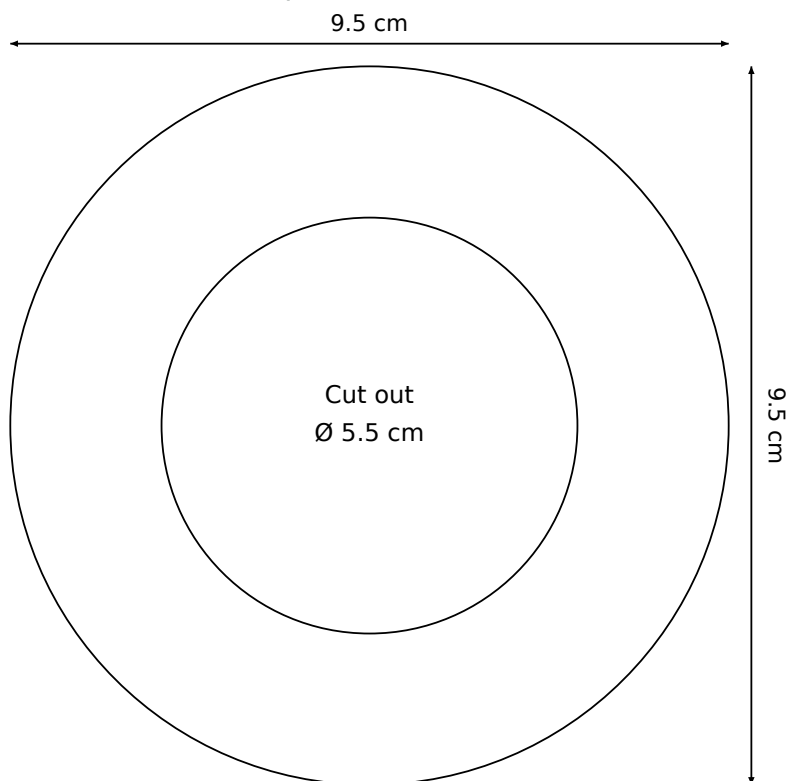

A LITTLE TIP

This one has an extra inner seam; try it after a heart or star.

Print page 2 only when you just need the cutting pattern.

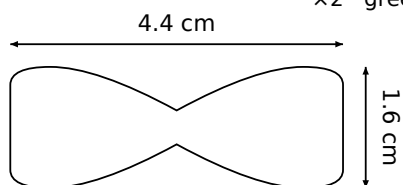

Little Felt Wreath

A4 • Print at 100% / Actual Size • No Fit or Shrink

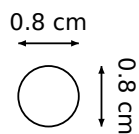

WREATH RING

x2 • green

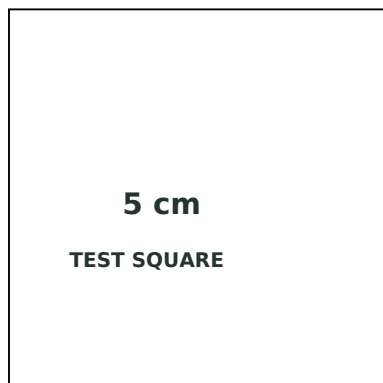

BOW APPLIQUE

x1 • red

BERRY

x3 • red

Check this square with a ruler before cutting felt. It must measure exactly 5 × 5 cm.

One outline per unique piece. Cut the number marked. Cut on the solid outer line. No extra seam allowance. Work blanket stitch about 2 mm inside cut edges; applique before joining the body.

Finished size is approximate after light stuffing. Decorative ornament only, not a toy.

Little Felt Wreath

Before you start

Print the pattern page at 100% and measure the test square. Cut the stated number of pieces. Put the wrong sides together for blanket stitching; the cut edges stay visible.

Cutting list

Wreath ring: x2 in green (front and back)

Bow applique: x1 in red

Berry: x3 in red

Cut the center hole from both ring pieces.

Placement guide

Not a cutting template

- 1 Cut two outer circles and the inner hole from each using the single ring template. Applique the bow near the bottom and three berries on the top of the front ring.
- 2 Place wrong sides together and stitch all the way around the inner hole, 2 mm from the cut edge.
- 3 Baste a 16 cm ribbon loop at the top with 1 cm inside. Sew around the outer edge, leaving a 2.5 cm opening on one side.
- 4 Push small wisps of filling around the ring with a blunt tool, or leave it flat. Close the opening.

Finish securely, trim loose threads and keep small parts away from young children.
